COLGATE'S
VIOLET TALC

AN IDEAL TOILET POWDER

This powder is perfumed with sufficient delicacy and skill to prove acceptable to women of refinement. It has a delicious violet odor, delicate and fleeting, with just a suggestion remaining. It adheres well to the skin, to which it imparts a delightful freshness and softness.

A PERFECT INFANT POWDER

This is the safest and best powder for the delicate skin of infants. It is prepared from the formula of an eminent physician and is used in the leading New York and London Hospitals.

WITH EXERCISE AND BATHING

After a bath Colgate's Antiseptic Talc Powder gives the finishing touch of coolness and comfort. It soothes the skin and keeps with you the good effects of the bath. Use freely before walking or more violent exercise, and you will save yourself much chafing and discomfort from which almost every one suffers in warm weather.

The name of COLGATE & CO. on Toilet and Shaving Soaps, Perfumes, Toilet Waters, Sachets, Talc and Dental Powders, corresponds to the "STERLING" mark on silver.
